

Before You Do Making Great Decisions That You Wont Regret

Mike Whitaker

Before You Do T.D. Jakes,2012-12-11 In his new book Before You Do, bestselling author Bishop T.D. Jakes turns his attention from repositioning yourself for a life without limits to cultivating relationships in the best way possible with the most important people in your life: parents, children, spouses and others who are your most beloved and in need of your support. As one of America's most trusted advisors, counsellors, and pastors, Jakes teaches us what to do before we: propose marriage; consider divorce; send our children off to school; put our elders into assisted living situations or other treatment facilities, and so many more major steps each of us are faced with taking at some point in life. He uses the lessons he has learned from his own marriage and family life as well as others to encourage and inspire people to give and receive the greatest love possible.

How to Make Choices You Won't Regret Kay Arthur,2009-01-21 How to make choices now that you won't regret later. You may be wondering how you ended up where you are, whether your life would have been better if you had made different decisions along the way. Or maybe your current situation is great, but you're facing some difficult choices. God wants to help you. Every day you and I are faced with innumerable decisions, some of which have the potential to change the course of our lives forever. Certain avenues open to us are marked with hidden pitfalls or lead in harmful directions. And in some instances the wrong choice can even bring death. Where do you go for direction? What do you do when faced with temptation? How do you decide what choices to make? This study answers those questions by exploring the role of Scripture and the Holy Spirit in the process, as well as examining the decision-making of people such as David, Josiah, Eve, and Jesus. As a result, my friend, I pray you will be equipped to make choices that bring honor to God and peace to your heart. --Kay Arthur The 40-Minute Bible Studies tackle vital issues in short, easy-to-grasp lessons for personal or group use--with no homework required.

Before You Do T.D. Jakes,2008-09-16 Bishop Jakes turns his attention and his teachings to the topic of relationships in this new book. Before You Do explains the 25 things that people need to know--whether they are single or married--to make great decisions in any relationship.

Making Great Decisions T.D. Jakes,2008-09-16 New York Times bestselling author T.D. Jakes explains the tools that we

need to know—whether we’re single and looking to have a committed relationship or already married—before taking the next big step. The star of BET’s Mind, Body & Soul, and featured guest speaker on Oprah’s Lifeclass, Potter’s House pastor, T.D. Jakes turns his attention to the topic of relationships, guiding you on the right track to making decisions you will benefit from for the rest of your life. In the vein of Joel Osteen’s Become a Better You and Dr. Phil’s Life Strategies, the New York Times bestselling Making Great Decisions gives you the psychological and practical tools you need to reflect, discern, and decide the next step toward strong relationships in your life. “Remember,” writes T.D. Jakes, “your tomorrow is no better than the decisions you make today.” “My promise is that if you read this book, you will be equipped, you will know all you need to know about making foolproof relational decisions,” writes T.D. Jakes. Choosing the right partner, at home or at work, is one of the most consequential decisions we’ll ever make. How can we be sure that we’re choosing wisely? How do we know if we’re doing the right thing when we change careers? By breaking our decisions down into their five crucial components: - Research: gathering information -Roadwork: removing obstacles -Rewards: listing choices and visualizing consequences - Revelation: narrowing your options and making your selection -Rearview: looking back and adjusting as necessary to stay on course Clear-sighted, realistic, and spiritually uplifting, Making Great Decisions is one of those rare books that can change lives.

Top Five Regrets of the Dying Bronnie Ware,2019-08-13 Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, The Top Five Regrets of the Dying, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address these issues while we still have the time. The Top Five Regrets of the Dying gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

Farsighted Steven Johnson,2018-09-06 Plenty of books offer useful advice on how to get better at making quick-thinking, intuitive choices. But what about more consequential decisions, the ones that affect our lives for years, or centuries, to come? Our most powerful stories revolve around these kinds of decisions: where to live, whom to marry, what to believe, whether to

start a company, how to end a war. Full of the beautifully crafted storytelling and novel insights that Steven Johnson's fans know to expect, *Farsighted* draws lessons from cognitive science, social psychology, military strategy, environmental planning, and great works of literature. Everyone thinks we are living in an age of short attention spans, but we've actually learned a lot about making long-term decisions over the past few decades. Johnson makes a compelling case for a smarter and more deliberative decision-making approach. He argues that we choose better when we break out of the myopia of single-scale thinking and develop methods for considering all the factors involved. There's no one-size-fits-all model for the important decisions that can alter the course of a life, an organization, or a civilization. But *Farsighted* explains how we can approach these choices more effectively, and how we can appreciate the subtle intelligence of choices that shaped our broader social history.

Making Great Decisions Workbook T.D. Jakes, 2009-06-02 T.D. Jakes offers readers of the New York Times bestseller *Before You Do*, now retitled *Making Great Decisions: For a Life Without Limits*, a collection of Scripture and quotes that provides the spiritual underpinnings of his message about applying Christian principles to making important choices that you'll be proud of for the rest of your life. *Before You Do*, the narrative book, uses wisdom collected from more than thirty years of Jakes's experience counseling and working with high-profile and everyday people through his ministry and numerous appearances on national television and radio. Relationship decisions come down to five crucial components, according to Bishop Jakes: Research: gathering information and collecting data Roadwork: removing obstacles and clearing the path Rewards: listing choices and imagining their consequences Revelation: narrowing your options and making your selection Rearview: looking back and adjusting as necessary to stay on course *Making Great Decisions Reflections* collects the words that ground *Before You Do* in biblical teachings, making this book an essential keepsake, to carry with you in moments when inspiration and encouragement are needed.

Before You Do T. D. Jakes, 2008 Bishop J.D. Jakes provides guidance on relationships, discussing what it takes to make the right decisions about love, marriage, and family.

Making the Best of a Bad Decision Erwin W. Lutzer, 2011-05-18 Maybe you worry you've married the wrong person. Maybe you're carrying the burden of a secret or have gone down a dangerous road. Maybe you've made a life choice that's hurt someone else so badly you feel the relationship can never be restored. But there's good news: you have the opportunity to clear your conscience, make things right with God and others, and get to a place of grace and new beginnings. Join pastor and bestselling author Erwin Lutzer as he shows you how to make the best of even your worst decisions and move forward into a better future.

The Paradox of Choice Barry Schwartz, 2009-10-13 Whether we're buying a pair of jeans, ordering a cup of coffee, selecting a long-distance carrier, applying to college, choosing a doctor, or setting up a 401(k), everyday decisions—both big

and small—have become increasingly complex due to the overwhelming abundance of choice with which we are presented. As Americans, we assume that more choice means better options and greater satisfaction. But beware of excessive choice: choice overload can make you question the decisions you make before you even make them, it can set you up for unrealistically high expectations, and it can make you blame yourself for any and all failures. In the long run, this can lead to decision-making paralysis, anxiety, and perpetual stress. And, in a culture that tells us that there is no excuse for falling short of perfection when your options are limitless, too much choice can lead to clinical depression. In *The Paradox of Choice*, Barry Schwartz explains at what point choice—the hallmark of individual freedom and self-determination that we so cherish—becomes detrimental to our psychological and emotional well-being. In accessible, engaging, and anecdotal prose, Schwartz shows how the dramatic explosion in choice—from the mundane to the profound challenges of balancing career, family, and individual needs—has paradoxically become a problem instead of a solution. Schwartz also shows how our obsession with choice encourages us to seek that which makes us feel worse. By synthesizing current research in the social sciences, Schwartz makes the counter intuitive case that eliminating choices can greatly reduce the stress, anxiety, and busyness of our lives. He offers eleven practical steps on how to limit choices to a manageable number, have the discipline to focus on those that are important and ignore the rest, and ultimately derive greater satisfaction from the choices you have to make.

How Will You Measure Your Life? (Harvard Business Review Classics) Clayton M. Christensen, 2017-01-17 In the spring of 2010, Harvard Business School’s graduating class asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared with them a set of guidelines that have helped him find meaning in his own life, which led to this now-classic article. Although Christensen’s thinking is rooted in his deep religious faith, these are strategies anyone can use. Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series now offers you the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world.

The 10 Best Decisions a Man Can Make Bill Farrel, 2010-09-01 Men today have important decisions to make about family, career, and ministry. Sometimes the choices can seem overwhelming, and men end up making decisions by default—by doing what comes naturally rather than by carefully thought-out principles. In *The 10 Best Decisions a Man Can Make*, popular author and speaker Bill Farrel gives men the hands-on decision-making tools they need to make the kinds of choices they won’t regret. Farrel encourages men to discover the joy of finding their place in God’s plan as they explore the positive benefits of making healthy decisions discover their personal pace in life and make decisions in keeping with that pace

develop a plan for godliness that relieves the burden of self-effort learn to make decisions based on personal character rather than what feels right at the moment

The Decision Makeover Mike Whitaker,2017-09-12 The secret of happy and successful people? Their ability to make good decisions. Changing careers, launching a business, starting a family, buying a home, moving to a new city? How do you know whether you're making the right decision? In *The Decision Makeover*, Mike Whitaker offers a thoughtful and strategic approach for choosing wisely in all aspects of your life whether it's about money, career, education, health, friends, or family. With his background in both business and psychology, he lays out a decision-making process that gives you the power to achieve your dreams. He even explains what to do if you've made some poor decisions along the way, so that you can move ahead without regret. Whitaker emphasizes the importance of understanding the difference between small and big decisions, and shows why defining your essential goals is the key to overcoming the roadblocks that can derail your progress. He reveals: • why your next decision could change your life forever • why you make bad decisions • how to avoid self-destructive decision-making • how to proceed confidently toward future decisions Filledwith engaging anecdotes and interactive exercises, *The Decision Makeover* gives you the tools to finally achieve all that you want. For young people just beginning to make important life decisions, or those who have seen it all and are ready for a "reset," this timeless book is a must-have for anyone wanting to achieve the maximum success possible through purposeful decision making.

Thinking in Bets Annie Duke,2019-05-07 A Wall Street Journal bestseller, now in paperback. Poker champion turned decision strategist Annie Duke teaches you how to get comfortable with uncertainty and make better decisions. Even the best decision doesn't yield the best outcome every time. There's always an element of luck that you can't control, and there's always information hidden from view. So the key to long-term success (and avoiding worrying yourself to death) is to think in bets: How sure am I? What are the possible ways things could turn out? What decision has the highest odds of success? Did I land in the unlucky 10% on the strategy that works 90% of the time? Or is my success attributable to dumb luck rather than great decision making? Annie Duke, a former World Series of Poker champion turned consultant, draws on examples from business, sports, politics, and (of course) poker to share tools anyone can use to embrace uncertainty and make better decisions. For most people, it's difficult to say I'm not sure in a world that values and, even, rewards the appearance of certainty. But professional poker players are comfortable with the fact that great decisions don't always lead to great outcomes, and bad decisions don't always lead to bad outcomes. By shifting your thinking from a need for certainty to a goal of accurately assessing what you know and what you don't, you'll be less vulnerable to reactive emotions, knee-jerk biases, and destructive habits in your decision making. You'll become more confident, calm, compassionate, and successful in the long run.

The Five Life Decisions Robert T. Michael,2016-08-05 Choices matter. And in your teens and twenties, some of the biggest life decisions come about when you feel the least prepared to tackle them. Economist Robert T. Michael won't tell you what to choose. Instead, he'll show you how to make smarter choices. Michael focuses on five critical decisions we all face about college, career, partners, health, and parenting. He uses these to demonstrate how the science of scarcity and choice—concepts used to guide major business decisions and shape national legislation—can offer a solid foundation for our own lives. Employing comparative advantage can have a big payoff when picking a job. Knowing how to work the marketplace can minimize uncertainty when choosing a partner. And understanding externalities—the ripple of results from our actions—can clarify the if and when of having children. Michael also brings in data from the National Longitudinal Survey of Youth, a scientific sample of 18 million millennials in the United States that tracks more than a decade of young adult choices and consequences. As the survey's longtime principal investigator and project director, Michael shows that the aggregate decisions can help us understand what might lie ahead along many possible paths—offering readers insights about how their own choices may turn out. There's no singular formula for always making the right choice. But the adaptable framework and rich data at the heart of *The Five Life Decisions* will help you feel confident in whatever you decide.

Regret-Free Living Stephen Arterburn,John Shore,2011-05 Helps empower readers to make the best decisions for their lives with no regrets, instructing them on how to make peace with their past to reach emotional and spiritual freedom.

The T.D. Jakes Relationship Bible T.D. Jakes,2012-01-24 From Genesis to Revelation, it is clear that the Holy Bible is, in the words of Bishop T.D. Jakes, "The Greatest Love Story Ever Told." It is not a book about religion, but relationships—from the creation of a man and a woman and their intimate relationship with God in the Garden through the tragic break in that relationship at the Fall and the eventual restoration of that relationship through Jesus Christ and His death on the cross of Calvary. Let's face it, we all have questions about relationships in life. When you lay your head down on the pillow at night, do you find these questions about your relationship with God running through your mind? How can I know God personally?

Can I find peace and true contentment? What is the purpose of my life? How do I know how God wants me to live? What is prayer? Throughout our lives, we all face a long list of questions on relationships that trouble our souls and require real answers based on real truth. How do I forgive someone who has hurt me badly? Can I mend this broken relationship? When my world seems to be falling apart around me, who can I trust and in whom dare I confide? How do I know whether a person is the right one to date? Will my marriage survive? How do I nourish my child's heart? What do I do with my fears about expressing my love and care to a friend? The good news is that in God's Word we find the answers to life's bewildering relationship questions. We are not left to figure it out on our own and in our own strength and power. You are invited to begin a lifelong journey to discovering God's words of truth for your life and relationships, and to discovering God Himself in the words of His Book!

The Giving Tree Shel Silverstein, 2014-02-18 As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. Once there was a tree...and she loved a little boy. So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling

children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic*!
